Younger Children Picture Books

HOORAY!! Look at the brilliant picture books our voters have chosen for their shortlist this year.

Have you read them all? In that case, you can vote for your favourite and keep your fingers crossed it wins.

To help you here are some activities you could try at home, in school, on a boat, in the jungle, out on the streets or even in a mole hole.

HAVE FUN!!

Write 5 words that you think of when you look at each book.

Design an emoji that shows how you felt when you read these books.

Pretend you are having a party and can invite one character from each story. What would you make them for tea? What games would they be good at playing?

Can you make up a dance to tell the stories in your own way? What kind of music would work best for each book?

Take an old shoe box and decorate it to look like a setting from your favourite book. Draw some pictures of the characters and cut them out carefully. Can you use them to act out the story in the shoe box theatre?
